**Reporting Agencies**

None.

**Policies and Practices for Storing, Retrieving, Accessing, Retaining, and Disposing of Records in the System**

**Storage**

Magnetic tape and Magnetic disk.

**Retrievability**

Railroad retirement claim number, social security account number, or name.

**Safeguards**

Computer and computer storage rooms are restricted to authorized personnel; on-line query safeguards include a lock/unlock password system, a terminal oriented transaction matrix, role based access controls and audit trail. For computerized records electronically transmitted between headquarters and field office locations, system securities are established in accordance with National Institute of Standards and Technology (NIST) guidelines, including network monitoring, defenses in-depth, incident response and forensics. In addition to the on-line query safeguards, they include encryption of all data transmitted and exclusive use of leased telephone lines.

**Retention and Disposal**

These records will be maintained permanently until their official retention period is established by the National Archives and Records Administration (NARA).

**System Manager(s) and Office**

**Notification Procedure**

Request for information regarding an individual’s record should be in writing addressed to the System Manager identified above, including the full name and social security number. Before information about any record is released, the System Manager will require the individual to provide proof of identity or require the requester to furnish an authorization from the individual to permit release of information.
