The RRB routinely maintains a job vacancy list as openings are reported by hiring railroad employers. The following list includes job postings (order nos.) that are not expected to be filled locally. The date of the vacancy list reflects RRB records regarding the status of open/closed positions.

Individuals interested in a particular vacancy should contact their local [RRB field office](#) at (877) 772-5772 for more information. An RRB representative will verify if the job is still open and refer the applicant to the appropriate hiring official.
