Railroad Retirement Act Annuitants and Active Railroad Employees by Congressional District

The attached tables show Railroad Retirement Act annuitants age 18 or over, and active railroad employees by Congressional District. Annuitant counts are individuals in current-payment status in July 2020. Active employee counts are the total number of employees covered by the Railroad Retirement and Railroad Unemployment Insurance Acts during calendar year 2019. The first list is in district order by State. The second is ordered by the total number of clients (annuitants and workers) from highest to lowest. Approximately 1 percent of the addresses did not match or were missing and were excluded from this report.
